## Client Relationship Summary – June 2025

Stawnychy Financial Services, Inc. (“Stawnychy Financial”) is an investment adviser registered with the U.S. Securities and Exchange Commission. Investment advisory and brokerage services and fees differ; therefore, it is important for you to understand the differences.

Free and simple tools are available to research firms and financial professionals at [Investor.gov/CRS](https://www.investor.gov/CRS), which also provides educational materials about investment advisers, broker-dealers, and investing.

### *What investment services and advice can you provide me?*

We offer investment advisory services to retail investors, including asset management and financial planning. As part of our standard services, we monitor our clients’ portfolio holdings and the overall asset allocation strategy on an annual basis, or when market conditions or other triggers would warrant a review. Triggers include a change of investment objectives, a change in employment, or a change in recommended asset allocation weightings. Upon completion of the financial plan delivery meeting, the engagement and the advisory relationship is typically concluded, unless specific post-plan advice has been agreed to as part of the client Investment Advisory Agreement.

We offer our asset management services on a discretionary or nondiscretionary basis. Discretionary asset management allows us the limited authority to buy and sell investments in your account without asking you each time a transaction is placed. With non-discretionary asset management, we provide investment recommendations but require your approval before placing trades for your account. You make the ultimate decision regarding the purchase or sale of investments. Our level of authority is determined at the beginning of our relationship with you in our advisory agreement but can be changed upon request.

We provide investment recommendations and construct portfolios using a wide array of securities types to meet the investment objectives of clients. We do not have any minimum requirements for opening or maintaining accounts for retail investors.

**For additional information, please see our Form ADV Part 2A (with special emphasis on Items 4, 7, and 16) and Form ADV Part 2A, Appendix 1 (Items 4 and 5) which can be found on the SEC website at [adviserinfo.sec.gov](https://adviserinfo.sec.gov) (CRD# 128859).**

### ***Conversation Starters – Ask Your Financial Professional:***

Given my financial situation, should I choose investment advisory services? Why or why not?

How will you choose investments to recommend to me?

What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?

### *What fees will I pay?*

**Principal Fees:** We are compensated for providing the investment advisory services by charging an ongoing asset-based fee that ranges up to 1.55% per annum depending on the type and complexity of the investment management strategy employed as well as the size of the account or overall client relationship. The fee will be payable quarterly in advance, based on the value of portfolio assets of the account at the end of the previous quarter. With the asset-based fee, the more assets there are in your advisory account, the more you will pay in fees, and we may therefore have an incentive to encourage you to increase the assets in your account. Financial planning services are charged either on an hourly basis ranging from \$100 per hour for clerical / administrative services, to \$300 per hour for financial and business planning services provided by a senior CFP, or on a fixed fee basis that ranges up to \$15,000. The actual fixed fee will depend on the scope and complexity of the client circumstances. The hourly fee is billed monthly on completion of work performed. The fixed fee is billed 25% on initial client analysis, 25% on delivery of the initial proposed plan, 25% after final revisions, and 25% on delivery of the final plan. All of Stawnychy Financial’s fees are negotiable at the discretion of Stawnychy Financial.

**Other Fees and Costs:** Where client is not in our wrap fee program, Stawnychy Financial’s fees are exclusive of brokerage commissions, transaction fees, and other related costs and expenses which shall be incurred by the client. In the wrap fee program, such fees are paid by Stawnychy Financial. In all cases, clients may incur certain charges imposed

by custodians, brokers, custodial fees, odd-lot differentials, transfer taxes, wire transfer and electronic fund fees, and other fees and taxes on brokerage accounts and securities transactions. All fees paid to us for investment advisory services are separate and distinct from the fees and expenses charged by mutual funds and ETFs to their shareholders, and the product sponsor in the case of variable insurance products which are disclosed in the funds' or variable products' prospectuses.

**Additional Information:** You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce the amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying. **More detailed information about our fees and costs are included in our Form ADV Part 2A (Item 5) and Form ADV Part 2A Appendix 1 (Item 4).**

**Conversation Starter – Ask Your Financial Professional:**

Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

*What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?*

**When we act as your investment adviser,** we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here is an example to help you understand what this means.

Investment Advisor Representatives (IARs) of Stawnychy Financial are also licensed and registered as insurance agents to sell various insurance products. Therefore, they will be able to purchase insurance products for clients in need of such services and will receive separate, yet typical commission compensation for the purchase of those products. While the IARs are required as fiduciaries to put the interest of the clients first, the receipt of additional compensation itself creates a conflict of interest. You are under no obligation to purchase insurance products through Stawnychy Financial or its IARs. **These arrangements and additional information about other conflicts of interest are discussed in more detail in our Form ADV Part 2A and Form ADV Part 2A Appendix 1.**

**Conversation Starter – Ask Your Financial Professional:**

How might your conflicts of interest affect me, and how will you address them?

*How do your financial professionals make money?*

Our IARs are compensated through the receipt of a portion of revenue we receive for the advisory services we provide. The portion paid to your IAR generally does not vary based on the type of investments that are recommended.

*Do you or your financial professionals have legal or disciplinary history?*

No. We invite you to visit [Investor.gov/CRS](http://Investor.gov/CRS) for a free and simple search tool to research our firm and financial professionals.

**Conversation Starter – Ask Your Financial Professional:**

As a financial professional, do you have any disciplinary history? For what type of conduct?

We encourage you to seek out additional information about our investment advisory services in our Form ADV Brochure on [Investor.gov](http://Investor.gov) or [adviserinfo.sec.gov](http://adviserinfo.sec.gov) (CRD# 128859). Alternatively, you can call us at 973-283-0024 to speak with us directly to request up-to-date information and request a copy of the relationship summary.
